

## **GLOOSCAP·KLUSKAP VENTURES**

### **Annual Post-Secondary “Soar Up” Academic Award**

Glooscap Ventures, an economic development corporation owned by the members of the Glooscap First Nation Band, seeks to celebrate and support post-secondary advancement and achievement among its members through an annual “Soar Up” program. The program will run a call for applications annually in the Spring and provide an annual, one-time, grant of up to \$2,500 to two (2) successful applicants each year among Glooscap post-secondary-bound, or attending, members. One award will be designated for post-secondary university students and one will be designated for post-secondary community college/trades.

The grants will be received at the Glooscap First Nation Annual General Meeting in August. Successful applicants will be expected to remain enrolled full-time or part-time in post-secondary education/training.

Successful applicants will:

- A Member of Glooscap First Nation
- Certify that they have been accepted into a post-secondary program of study;
- Indicate in their application how their studies will assist in the overall economic well-being of themselves, their family and their community;
- Be eligible in all areas of post-secondary education and training including arts, sciences, technical and industrial trades and the health sciences;
- Agree to have their award noted and communicated on the Glooscap Ventures website, AGM and collateral communication products.

The successful applicants will be selected after a review and recommendation by the Scholarship Committee.

Application forms will be submitted to [admin@glooscapventures.com](mailto:admin@glooscapventures.com), by no later than July 31st of each year.
